PROFILE

BADRUL HISHAM ARCHITECT

Lembaga Arkitek Malaysia : SP/B14

BADRUL HISHAM ARCHITECT or BHA was founded in 1996. The firm is based in the central west coast city of *Ipoh*, the state of *Perak*, in peninsular *Malaysia*.

BHA offers *Architectural & Interior Architecture Design* consultancy. With its Kuala Lumpur-based associate firm, *BADRUL HISHAM PROJECTS*, BHA also complements its main consultancy work with *Property Research, Development and Project Management Advisory*. The combined experience and resources of the firm enables *BADRUL HISHAM ARCHITECT* to offer a comprehensive development consultancy services.

BHA has been providing *Architectural & Interior Architecture Design Services* in the *Office, Retail, Leisure, Education, Industrial and Housing* sectors. The firm has special interest in *Technical Design & Project Management Services* for *Mixed & Multi-Storey Developments* and *Highly Mechanised Buildings & Specialised M&E Plants*.

BHA takes pride in striving for *sound & memorable designs* while guided by *commercial & functional interests*. The firm emphasises *conscientious management and monitoring of its projects* from inception to their post-occupation.

Principal

Badrul Hisham was born in Tapah, Perak in 1964. He received his secondary education at *Maktab Rendah Sains MARA, Kulim* before graduating with *Bachelor of Applied Science in Architectural Science* in 1985 and *Bachelor of Architecture (Honours)* in 1987 from *Curtin University, Western Australia*. He received a number of architectural scholastic awards and was nominated a finalist in an Australia-wide student design competition.

Overseas, *Badrul* worked in the offices of *Brand, Deykin & Hay, Architects* and *De Leo Associates, Architects* in Perth, Western Australia between 1986 & 1987; *Bell Puddy Architects, NZ* in Auckland, New Zealand between 1988 & 1989 and *Poole Associates, Architects* in Sydney, New South Wales in 1990. He returned to Malaysia late 1990 and joined *Arkitek Urbanisma*. He was in charge of the firm's commercial projects and its technical section. He was an *Executive Director* of *Arkitek Urbanisma Sdn Bhd* until he left to set up his sole proprietorship, *BADRUL HISHAM ARCHITECT*, in 1996.

Badrul has extensive experience in the design and project management of commercial offices, residential and retail complexes.

This involvement includes advising clients on property development strategies and mix. Other special architectural interests include the application of the Chinese art of *Feng Shui* in architecture.

His architectural and project management experience also brought him into property management where he was involved in the property management of *Wisma Sejarah*, a multi-storey commercial office building in Jalan Tun Razak, Kuala Lumpur.

Badrul is a corporate member of the *Pertubuhan Arkitek Malaysia (PAM)* and the *Institut Pereka Dalaman Malaysia (IPDM)* and, is registered as a Professional Architect with the *Lembaga Arkitek Malaysia (LAM)* since 1994.

P Arch LAM A/N75 APAM M1553 AIPDM A/N51

Principal, at.zaida architect

Principal Associate, Badrul Hisham Architect

Zaida was born in Kuala Pilah, Negeri Sembilan in 1965. She received her secondary education at *Maktab Rendah Sains MARA, Kuantan* and in 1989 graduated from the *University of New South Wales, Sydney, Australia* with a *Bachelor of Architecture*.

In Sydney, Australia, she had the opportunities to work in the offices of *Scott, Revay & Unn, Architects* in 1989 on a number of residential projects and then in 1990 with a builder, *Platino Builders Pty Ltd* on several renovations and heritage restoration projects.

In 1991, Zaida joined *Abraz Arkitek* in Kuala Lumpur and expanded her career there until 2001. At *Abraz Arkitek*, she was involved with a number of governmental projects from university buildings to sporting complexes. At the same time, she was also undertaking private commissions on resorts and residential projects. Late in 2001, Zaida left *Abraz Arkitek* and set up her private practice *aT.zaida architect*.

Zaida is a corporate member of the *Pertubuhan Arkitek Malaysia (PAM)* and is registered as a Professional Architect with the *Lembaga Arkitek Malaysia (LAM)* since 1996.

Zaida has been an associate of BHA since 2001. She shared with the firm her experience in resort, governmental and residential projects.

PERSONNEL
PRINCIPAL ASSOCIATE

KEY PERSONNEL

Mohd Esa Sudin

Technical Director, Badrul Hisham Architect

Esa was born in Gurun, Kedah in 1965. He received his secondary education at *Maktab Rendah Sains MARA, Kulim* and studied Architecture at the *University of New South Wales, Sydney, Australia*.

While in Sydney, he had the opportunities to work at *McConnel Smith and Johnsons* in 1988 on a number of government projects such as the *Campbell Town Courthouse, Prince Alexandria Children's Hospital* and *June Prison*; and then in 1990 with *Media Five Architects* on *Park Royal Hotel Darling Harbour* design documentation.

Upon returning to Malaysia in 1991 Esa joined *MZD Arkitek* in Kuala Lumpur. At *MZD Arkitek*, he was involved with a number of commercial projects including 22-storey *Menara Choy Fook On* office tower in *Petaling Jaya* and *Medan Idaman Township* in *Gombak*.

Between 1994-1996 he was the Assistant Resident Architect at the *Damansara Uptown Development* consisting of 4 office towers ranging from 12-18 storeys and an 8-storey car-park block.

In 1998 he joined *aQidea Architect* as the Resident Architect at the *Prime Minister's Office Complex* in *Parcel A Putrajaya* and later as Resident Architect at the *Putrajaya Corporation Auditorium Building*.

In 2004, when *aQidea Architect* collaborated with the world renowned *Pelli Clarke Pelli Architects* (formerly *Cesar Pelli and Associates*) to design the 60-storey *Lot C (Lot 171)* office tower for *KLCC Property Holdings Bhd*, Esa was given the task of coordinating the works of the local and foreign consultant teams.

Again, in 2008, as design coordinator, he had the opportunity to work with another world renowned firm when *aQidea Architect* collaborated with *Foster + Partners* to design the luxury waterfront residential towers at *Precinct 4 Putrajaya*.

Esa joined BHA since January 2009 and brings with him a wealth of experience especially in the design of high-rise buildings and government facilities.

KEY PERSONNEL

Halimatul Saadiah binti Mohamed

B Bus (Land Econs) (Hons) UWS, NSW

Partner, Badrul Hisham Projects

Senior Associate, Badrul Hisham Architect

Halimatul was born in Ipoh, Perak in 1967. She received her secondary education at *SM Main Convent, Ipoh* and later *Kolej Persedian Pengajian ITM, Shah Alam*. She graduated from the *University of Western Sydney, Australia* with a First Class Honours in *Bachelor of Business (Land Economy)* in 1990 after receiving her degree with a Distinction in 1989. Along the way during her tertiary education, she was recognised with a number of academic awards from her university and the Malaysian Students Department in Sydney, Australia.

In Australia, *Halimatul* received her industrial training in 1989 at *Schroders Australia Ltd* and *Harlech Property Group* in Sydney, Australia. In 1990, she was a Property Research Assistant at the *University of Western Sydney, Richmond, Australia*.

Upon returning to Malaysia in 1992, she joined *Jones Lang Wootton, Penang* and later *Kuala Lumpur* as a Research Analyst. She then expanded her interest in property research by joining *Frank Small Property Research Sdn Bhd* in 1993 as Assistant Manager. In 1996 she moved to *Era Network Sdn Bhd*, a marketing arm of development company *Plus Era Sdn Bhd*, as their Unit Head for the Marketing and Research Department where she applied her research know how into real-life marketing strategies. Her combined knowledge in property research and marketing brought her in 1999 to *ASM Development Sdn Bhd*, a property arm of the *Maju Group*, as a Planning Manager for *Maju Property Group* of companies. She joined *Henry Butcher (Jurunilai Iktisas) Sdn Bhd* in 2005 until 2010 as a Manager and concentrated on property consultancy from their Ampang, Selangor office.

Halimatul shares with BHA her wide-ranging experience in property research & development consultancy thus enabling the firm to offer a full scope of development services.

Halimatul still hones her property research and consultancy skills at *Henry Butcher (Jurunilai Iktisas) Sdn Bhd* as a consultant on project-basis.
